Living Stones Church Shelter

Thank you Living Stones Church for all that you have done for our community. You will continue to be a true blessing to our City. The outpouring of love from local churches, civic groups, and members of the community has been unbelievable! Because our community pulled together so quickly, the immediate needs of those affected by this flood have been taken care of during last 72 hours. As of 6:00 p.m. this evening, the temporary shelter at Living Stones Church will be closing. All those who were staying at the shelter have made other arrangements or have been evacuated. The donations that were brought to the shelter have been dispersed throughout the community from local food pantries to area benevolent agencies. It is hoped that this community will continue to be positive, and vigilant in the days, weeks, and months to come. It will take neighbor helping neighbor working side by side to put the pieces of our community back together. Please reach out to your neighbor and those in your circle of influence to see what help can be offered.
