### **Update: Debris Removal/City Operations/Volunteer/Donation**

All residents are encouraged to place construction, home furnishings, and debris items at the roadside through Tuesday, September 5th. On Wednesday September 6th, the city's contractor will begin the pickup and removal process. Once the initial round of pickup through the city has been completed, the contractor will come back through to pick up and remove appliances and electronics. All residents are asked to move as many vehicles off the city streets starting Wednesday morning, this will enable the large trucks to easily access debris removal.

All city services will resume on Tuesday, September 5<sup>th</sup>. To provide relief from the TS Harvey flooding events, late penalties and disconnects for City of Alvin utility accounts will be waived through September 30, 2017. Municipal Court citation payment dates (including extension due dates) have been extended. Please contact the Court beginning Tuesday, September 5<sup>th</sup> for information regarding the new extension due dates.

Residents are encouraged to reach out to local churches for volunteer and donation opportunities.

Thank you to the Alvin Community for the outpouring of love and support during this most difficult time.
