Acknowledge receipt of the 2022 Kendall Lakes Tax Increment Reinvestment Zone Number Two Annual Report.

The Kendall Lakes development has a Tax Increment Investment Zone (TIRZ) covering the entire development. A TIRZ is utilized by cities and developers as a way to fund infrastructure inside a development. A TIRZ issues bonds to cover the costs and is reimbursed by the ad valorem (property) taxes collected. Currently no bonds have been issued as the developer is covering infrastructure costs until sufficient development is on the ground to support bond financing. The TIRZ is governed by a board appointed by City Council. The Board works closely with staff and a Zone Administrator to conduct and record all the business activity. The annual report shows the budget, revenues, expenditures, and development activity. The Board approved the report at their meeting held on September 18, 2023. The State of Texas requires the City Council to formally acknowledge receipt of the report and then staff will file all the necessary documentation with the State of Texas. Staff recommends acknowledging receipt of the 2022 Kendall Lakes TIRZ Report.
